

CERTIFICATION EUROPE™

This is to certify that the

Information Security Management System

Of

An Post (Group Technology Solutions)

At

GPO, O'Connell Street, Dublin 1, Ireland

Has been assessed by Certification Europe and deemed to comply with the requirements of

ISO 27001:2005

This certificate is valid for the activities specified below:

An Post Group Technology Solution's Information Security Management System addresses all aspects of its operations that are involved in the management and delivery of its Internet Hosting, Agency Banking, Prize Bonds Draw and Post.Trust services.

Certification to the standard is made under the Statement of Applicability (version 2.0) and Certification Europe has adjudged that the exclusions under this Statement do not compromise the integrity of the ISMS.

Certification of Registration remains the property of Certification Europe Ltd.

The validity of this Certificate is maintained on the condition that the Management System is assessed through an on-going surveillance programme and continues to adequately meet the requirements of the standard.

To verify this certificate validity please contact us at info@certificationeurope.com

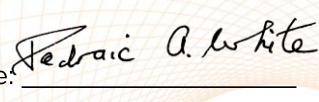

Date of initial certification: 12th December 2003

This certificate is valid until: 6th November 2016
